Hyperion was established in London in 1994 and today is a leading, international insurance group with over 4,500 employees in 38 countries. Employee ownership is at the heart of our business and is key to attracting and developing the best talent in the market.

We have four business divisions:

- Howden: the world’s largest international independent retail broker. Together with Howden One, its global specialist insurance broking network, it comprises over 10,000 professionals, operating in more than 80 territories
- RKH: the largest producer of insurance premium to Lloyd’s, the world’s leading specialist insurance market, and a leading producer to many of the world’s largest specialist insurers
- DUAL: the specialist underwriting arm of the Hyperion Insurance Group, is the world's largest international underwriting agency and Lloyd's largest international cover holder.
- Hyperion X: our newest division of the group, it will develop key areas of data, analytics and digital platform delivery.

By working closely with our clients to deeply understand their needs, we are able to develop solutions that are truly best-in-class. We choose to be specialists rather than generalists, so that we have the expertise required to solve even the most complex challenges. Our entrepreneurial approach promotes innovation, integrity and a constant focus on delivering the best solutions for our clients.
