

# Solicitors

The Howden Professional Indemnity Division has specialised in providing advice and placing professional indemnity insurance on behalf of legal services firms since the de-mutualisation of the solicitors indemnity fund in 2000.

We have a team of over 20 people dedicated to servicing the sector. We manage insurance on behalf of a broad range of practices from sole traders through to several of the UK's top 100 legal firms. Our expertise covers the full range of company structures from Partnership to Alternative Business Structure and the entire spectrum of legal disciplines.

We offer two exclusive professional indemnity facilities for the sector:

- 4-10 partner firms, underwritten by 'A\* rated' insurer AmTrust Europe Ltd
- A Licensed Conveyancers facility underwritten by Pioneer and Channel.

Both facilities are designed to provide competitive terms from financially stable insurers with a long term appetite for the sector.

## **Exclusive 4-10 partner facility**

- Only accessible via Howden
- The UK's fastest growing professional indemnity insurance facility
- Broad risk appetite
- Ability to quote from the same proposal form that you completed for your existing provider
- Quotes can be provided in as little as two working days
- Low excesses and extended policy periods available

For firms that are not suitable for either of these facilities we have the expertise, knowledge and underwriter relationships to obtain quotes from what we believe to be the widest selection of 'A-rated' insurers available to any broker in the market. We have a proven ability to handle insurance programs for global businesses and to handle non-standard insurance arrangements ranging from deductible infill policies to excess of loss cover.

Utilising our expertise in the legal services sector, we also offer a range of complimentary services and insurance products from bespoke risk management audits through to cover for Employment Practices Liability, COLPs and COFAs, Cyber Liability, Title Indemnity and Executor & Inheritance Protection.

When renewing our firm's PII there is no other broker that I would choose to work with. Having worked with Howden for several years I have always been more than happy with the service that they provide. Thanks to Howden the stress of renewals season has been greatly reduced and I look forward to working with them for the long term future.
