

Conveyancers

Howden is the recommended insurance broker to The Society of Licensed Conveyancers (SLC). We provide cover that is approved by the Council for Licensed Conveyancers (CLC) and compliant with the regulator's minimum terms and conditions. The scheme is open to both SLC and CLC members.

Legal sector expertise

Our team of over 20 specialists, with expertise in the legal profession, are responsible for placing over £50m premium per annum on behalf of the legal sector. We handle a broad range of businesses from licensed conveyancers, SRA regulated practices to notaries and barristers. With over 25 years' experience in the sector, our clients range from sole traders to top 100 legal practices, including several of the UK's largest licensed conveyancers and solicitors.

In addition to our exclusive facility for conveyancers, we also offer an exclusive facility underwritten by 'A' rated insurer AmTrust for 4-10 partner solicitors' practices. Our expertise and understanding of the conveyancing sector is further complemented by our position as the UK's leading broker to valuation surveyors and panel managers, sectors which have been impacted by very similar professional indemnity challenges to conveyancing firms.

We made a 33% saving on our professional indemnity insurance premium for the year, for exactly the same policy terms as offered by the CLC master policy. The Howden service was prompt and we received our quote in good time, which made a pleasant change. I would thoroughly recommend that all licensed conveyancers consider their professional indemnity insurance options very seriously. I am aware that other leading licensed conveyancing practices have also made significant savings and have been pleased with the service provided by Howden.
